

INDEPENDENT AUDITOR'S REPORT

To The Members of Vanya Steels Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Vanya Steels Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit and other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, but does not include the financial statements and our auditor's report thereon. The Board's Report is expected to be made available to us after the date of this auditor's report.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.
- When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making estimates and judgments that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors and management either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in the paragraph 2(j) below of the Companies (Audit and Auditors) Rules, 2014.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 2(b) above on reporting under Section 143(3)(b) and paragraph 2(j) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
- (g) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - refer note 43 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 62 to the financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The management has represented, that, to the best of its knowledge and belief, as disclosed in the note 63 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (iv)(b) contain any material misstatement.
- (i) No dividend has been declared, authorized, or distributed by the Company in respect of the current financial year.
- (j) Based on our examination, which included test checks, the Company has used an accounting software system for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. However, we found that the audit trail at the database level is not enabled.
- Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with on accounting software where this feature is enabled and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- (k) The Company has not paid any remuneration to its directors during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) In respect of the Company's property, plant and equipment:
 - (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and capital work-in-progress.
 - (B) The Company does not have any intangible assets as at the balance sheet date. Hence, the requirement to report on clause 3(i)(a)(B) of the Order is not applicable to the Company.
- (b) The Company has a regular programme of physical verification of property, plant and equipment and capital work-in-progress to cover all the items annually. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) Based on our examination of the registered sale deed/ Encumbrance Certificate provided to us, we report that, all title deeds of all the immovable properties disclosed in the financial statements and included in property, plant and equipment are held in the name of Company as at balance sheet date.
- (d) The Company has not revalued its property, plant and equipment during the year.
- (e) There are no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventories (except for goods-in-transit) were physically verified by the management at reasonable intervals. For goods-in-transit, subsequent evidence of receipts has been linked with inventory records. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the management is appropriate having regard to the size of the Company and the nature of its operations. No material discrepancy of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.

- (b) The Company has been sanctioned working capital limits in excess of five crore rupees by banks during the year on the basis of security of current assets of the Company. The quarterly returns or statements filed by the Company with such banks are in agreement with the unaudited books of account of the Company, and no material discrepancies were noticed.
- (iii) The Company has not made investments in or granted any loans or advances in the nature of loans, secured or unsecured, to firms or limited liability partnerships. The Company has provided advances in the nature of loans to other parties (i.e. employees), guarantees and security to other parties.
- (a) The aggregate amount during the year, and balance outstanding as at the balance sheet date with respect to interest-free advances in the nature of loans to other parties (i.e. employees), guarantees and security to other parties are as per the table given below:

Amount (Rs. in Lakhs)

Particulars	Guarantees	Security	Advances in nature of loans
Aggregate amount granted/ provided during the year:			
- Others (loan to employees)	Nil	Nil	25.71
- Other Companies (Holding company)	5,000.00	5,000.00	Nil
Balance outstanding as at balance sheet date in respect of above cases:			
- Others (loan to employees)	Nil	Nil	17.62
- Other Companies (Holding company)	5,000.00	5,000.00	Nil

- (b) In respect of the aforesaid guarantees, securities and advances in the nature of loans, the terms and conditions under which such advances in the nature of loans were granted, guarantees and securities provided are not prejudicial to the Company's interest.
- (c) The Company has granted interest-free advances in the nature of loans to other parties (i.e. employees) where the schedule of repayment of principal has been stipulated and the repayment or receipts are regular.
- (d) There are no amounts of interest-free advances in the nature of loans granted to other parties (i.e. employees) which are overdue for more than ninety days.
- (e) There were no advances in the nature of loans granted to other parties (i.e. employees) which had fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdue of existing advances in the nature of loans given to the same parties.
- (f) The Company has not granted any advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to other parties (i.e. employees). Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Act in respect of guarantees and security provided by it, as applicable. Further, the Company has not granted any loans or made investments during the year.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has specified maintenance of cost records under sub-section (1) of section 148 of the Act in respect of the products of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) Undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of custom, cess and other material statutory dues, as applicable, to the Company have generally been regularly deposited with the appropriate authorities by the Company, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
- (b) The particulars of statutory dues referred to in sub-clause (a) as at March 31, 2026 which have not been deposited on account of a dispute, are as follows:

Amount (Rs. in Lakhs)

Name of the statute	Nature of the dues	Amount Disputed	Period to which the amount relates	Forum where the dispute is pending	Amount paid under Protest
Income Tax Act, 1961	Income Tax Assessment	36.44	FY 2018-19	Commissioner of Income Tax	Nil
Goods and Services Tax Act, 2017	Appeal	844.45	FY 2017-18	Deputy Commissioner	37.99
Goods and Services Tax Act, 2017	Appeal	33.28	FY 2018-19	Deputy Commissioner	1.59
Goods and Services Tax Act, 2017	Appeal	90.53	FY 2019-20	Deputy Commissioner	4.59

- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared a wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company does not have any subsidiaries, associates or joint ventures during the year and hence, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence, reporting under clause 3(x)(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by cost auditor/ secretarial auditor or by us, with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Sections 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.

- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) The internal audit reports of the Company issued till the date of audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) There is no Core Investment Company (CIC) as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the current financial year and had incurred cash losses of Rs. 641.03 Lakhs in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year and accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in the note 55 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of Vanya Steels Private Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to these financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1. Company Overview

Vanya Steels Private Limited (the Company) is a private limited company domiciled in India, with its registered office situated at A One House No. 326, Front Portion, First Floor, CQAL Layout, Ward No. 08, Sahakar Nagar, Bangalore – 560092. The Company was incorporated on June 20, 2005. The Company is engaged in the business of manufacturing and trading of Sponge Iron.

2. Material Accounting Policies

(i) Statement of compliance

The material accounting policies adopted for preparation and presentation of these financial statements are listed below. These policies have been applied consistently by the Company for all the years presented in these financial statements, unless otherwise indicated.

These financial statements ("the Financial Statements") have been prepared in accordance with the Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act.

The financial statements for the year ended March 31, 2026 were authorised and approved for issue by the Board of Directors on July 22, 2026.

(ii) (A) Basis of Preparation

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair value by Ind AS.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency and all values are rounded to the nearest lakhs (₹ 00,000), except when otherwise indicated.

(B) Current and non-current classification

All assets and liabilities have been classified and presented as current or non-current in accordance with the Company's normal operating cycle, which is based on the nature of business and the time elapsed between deployment of resources and the realisation of cash and cash equivalents. The company has considered an operating cycle of 12 months.

(C) Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lacs, unless otherwise indicated.

(D) Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Basis of measurement
Certain financial assets and liabilities	Fair value
Net defined benefit asset/liability	Present value of defined benefit obligation less Fair value of Plan asset

(E) Use of estimates and judgements

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

- **Recognition of deferred tax assets** – The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised.
- **Business model assessment** – The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and accordingly prospective change to the classification of those assets are made.
- **Evaluation of indicators for impairment of assets** – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.
- **Classification of leases** – Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contract.

- **Expected credit loss (ECL)** – The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g., likelihood of customers defaulting and resulting losses). The Company makes significant judgements regarding the following while assessing expected credit loss:
 - Determining criteria for significant increase in credit risk
 - Establishing the number and relative weightings of forward-looking scenarios for each type of product/market and the associated ECL
 - Establishing groups of similar financial assets for the purposes of measuring ECL.
- **Provisions and Contingent Liabilities** – At each Balance Sheet date, based on the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.
- **Useful lives of depreciable/amortisable assets** – Management reviews its estimate of useful lives, residual values, and method of depreciation of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.
- **Defined benefit obligation (DBO)** – Management's estimate of the DBO is based on several underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.
- **Fair value measurements** – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.
- **Retirement benefit obligations** - The Company's retirement benefit obligations are subject to a number of assumptions including discount rates, inflation, salary growth and mortality rate. Significant assumptions are required when setting these criteria and a change in these assumptions would have a significant impact on the amount recorded in the Company's balance sheet and the statement of profit and loss. The Company sets these assumptions based on previous experience and third-party actuarial advice. The assumptions are reviewed annually and adjusted following actuarial and experience changes.

(iii) Revenue

The Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. The Standard requires apportioning revenue earned from contracts to individual promises, or performance obligations, on a relative stand-alone selling price basis, using a five-step model.

Revenue from sale of goods

Revenue is recognised upon transfer of control of promised product or services to customer in an amount that reflect the consideration which the Company expects to receive in exchange for those product or services at the

Vanya Steels Private Limited
Notes to the Financial Statements for the year ended March 31, 2026

fair value of the consideration received or receivable, which is generally the transaction price, net of any taxes/duties and discounts.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- a. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- b. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- c. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue from sale of products is recognised at a time on which the performance obligation is satisfied.

Recognition in case of local sales is generally recognised on the dispatch of goods. Revenue from export sales is generally recognised on the basis of the dates of 'On Board Bill of Lading'. The Company recognises provision for sales return, based on the historical results, measured on net basis of the margin of the sale.

Variable consideration - This includes incentives, volume rebates, discounts etc. It is estimated at contract inception considering the terms of various schemes with customers and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.

Significant financing component - Generally, the Company receives short-term advances from its customers. Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.

Contract balances:

Trade Receivables and Contract Assets

A trade receivable is recognised when the products are delivered to a customer and consideration becomes unconditional. Contract assets are recognized when the company has a right to receive consideration that is conditional other than the passage of time.

Contract liabilities:

Contract liabilities are Company's obligation to transfer goods or services to a customer for which the entity has already received consideration. Contract liabilities are recognised as revenue when the company satisfies its performance obligation under the contract.

Other operating income

Export benefits are recognised in the year of export when right to receive the benefit is established and conditions attached to the benefits are satisfied.

(iv) Other income

Interest income

Interest income on time deposits and inter corporate loans is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

Commission income

Commission income are recognised in Statement of Profit or Loss only when the relevant services have been rendered.

(v) Employee Benefits

Short term employee benefits:

Short term employee benefit obligations are measured on an undiscounted basis and are expenses off as the related services are provided. Benefits such as salaries, wages, and bonus etc. are recognised in the statement of profit and loss in the year in which the employee renders the related service. The liabilities are presented as current employee benefit obligation in the balance sheet.

Long term employee benefits:

Defined contribution plan: Provident fund

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate as per the provisions of The Employees Provident Fund and Miscellaneous Provisions Act, 1952. These contributions are made to the fund administered and managed by the Government of India. The Company has no further obligations under the plan beyond its monthly contributions. Obligation for contribution to defined contribution plan are recognised as an employee benefit expense in statement of profit and loss in the period during which the related services are rendered by the employees.

Defined Benefit Plan: Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

The Company provides for retirement benefits in the form of Gratuity, which provides for lump sum payments to vested employees on retirement, death while in service or on termination of employment in an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of service. Benefits payable to eligible employees of the Company with respect to gratuity is accounted for on the basis of an actuarial valuation as at the balance sheet date.

The present value of such obligation is determined by the projected unit credit method and adjusted for past service cost and fair value of plan assets as at the balance sheet date through which the obligations are to be settled. The resultant actuarial gain or loss on change in present value of the defined benefit obligation or change in return of the plan assets is recognised as an income or expense in the other comprehensive income. The Company's obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The Company determines the net interest expense/(income) on the net defined benefit liability/(asset) for the year by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual year to the then-net defined benefit liability/(asset), taking into account any changes in the net defined benefit liability/(asset) during the year as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the statement of profit and loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in the statement of profit and loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Other long-term benefits: Compensated absences

Benefits under the Company's compensated absences scheme constitute other employee benefits. The liability in respect of compensated absences is provided on the basis of an actuarial valuation using the Projected Unit Credit Method done by an independent actuary as at the balance sheet date. Actuarial gain and losses are recognised immediately in other comprehensive income.

(vi) Foreign exchange transactions and translations

Initial recognition:

Foreign currency transactions are recorded in the reporting currency, by applying the foreign currency amount of exchange rate between the reporting currency and foreign currency at the date of transaction.

Conversion:

Foreign currency monetary assets and liabilities outstanding as at balance sheet date are restated/translated using the exchange rate prevailing at the reporting date. Non-monetary assets and liabilities which are measured in terms of historical cost denomination in foreign currency, are reported using the exchange rate at the date of transaction except for non-monetary item measured at fair value which are translated using the exchange rates at the date when fair value is determined.

Exchange difference arising on the settlement of monetary items or on restatement of the Company's monetary items at rates different from those at which they initially recorded during the year or reported in previous financials statement (other than those relating to fixed assets and other long term monetary assets) are recognised as income or expenses in the year in which they arise.

(vii) Tax expense

Income tax comprises current and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related

to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

(viii) Inventories

Inventories comprise the followings:

- a) Raw materials,
- b) Finished and semi-finished goods
- c) Stock-in-trade,
- d) Stores and spares, and
- e) By-Products.

Inventories are valued at lower of cost or net realisable value. The comparison of cost and net realisable value is made on an item by item basis. Cost comprises of all cost of purchase, cost of conversion and other cost incurred in bringing them to their respective present location and condition. Cost is determined using first in, first out method of inventory valuation.

Loose tools, by-products and scrap are valued at estimated realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Provision of obsolescence on inventories is considered on the basis of management's estimate based on demand and market of the inventories.

(ix) Cash and cash equivalents

Cash and cash equivalents consist of cash, bank balances in current accounts and short term highly liquid investments that are readily convertible to cash with original maturities of three months or less at the time of purchase and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current financial liabilities in the balance sheet.

(x) Provisions, contingent liabilities, and contingent assets

Provisions

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources, and a reliable estimate can be made of the amount of obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Contingent liability

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

Contingent assets

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised. A contingent asset is disclosed, in financial statements, where an inflow of economic benefits is probable.

(xi) Property, plant and equipment (including Capital work-in-progress)

Recognition and measurement

All items of property, plant and equipment are stated at historical cost (or) deemed cost applied on transition to Ind AS less depreciation and impairment. Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost net of recoverable taxes (wherever applicable), which includes capitalised borrowing costs less depreciation and impairment, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, if any, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Borrowing costs incurred during the period of construction is capitalized as part of cost of qualifying asset.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Any gain or loss on disposal of an item of property, plant and equipment is recognised in the statement of profit and loss.

On transition to Ind AS, the Company had elected to continue with carrying value of all its property, plant and equipment recognised as at 1 April 2020 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Advance given towards acquisition (or) construction of property, plant and equipment outstanding at each reporting date are disclosed as capital advances under "Other Non-current assets".

Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced.

All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual values

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual value over their useful life using straight line method and is recognised in the statement of profit and loss.

The estimated useful lives of items of property, plant and equipment for the current and comparative years are as under and the same are equal to lives specified as per schedule II of the Act.

The useful lives of the assets are as under:

Particulars	Useful lives (in years)
Tangible assets:	
Land	Non depreciable asset
Factory sheds and building	30 & 60 years
Plant and equipment	15 & 25 years
Furniture and fixtures	10 years
Electrical installation	10 years
Computer	3 years
Office equipments	3 & 5 years
Vehicles	8 & 10 years

Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets. Depreciation on addition to property, plant and equipment is provided on pro-rata basis from the date the assets are ready for intended use. Depreciation on sale/discard from property, plant and equipment is provided for up to the date of sale, deduction or discard of property, plant and equipment as the case may be.

Depreciation method, useful lives and residual values are reviewed at each financial year-end, and changes, if any, are accounted for prospectively.

(xii) Intangible Assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

Intangible assets under development

Expenditure on research and development eligible for capitalisation are carried as intangible assets under development where such assets are not yet ready for their intended use. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Useful lives of intangible assets

Computer Software are being amortised on a Straight Line Method based on the method as prescribed under Schedule II of the Companies Act 2013.

Intangible assets	Useful lives (in years)
Software	3 Years

(xiii) Leases**As lessee**

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less

any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(xiv) Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's or CGU's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis. After impairment, depreciation/amortisation is provided on the revised carrying amount of the asset over its remaining useful life.

(xv) Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time

to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(xvi) Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss. Trade receivables that do not contain a significant financing component are measured at transaction price.

Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at:

- Amortised cost,
- Fair value through other comprehensive income (FVOCI), or
- Fair value through profit and loss (FVTPL)

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis.

All financial assets not classified to be measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

In order to meet the requirements of the Electricity Act 2003 and the Electricity Rules 2005 regarding consumption of Electricity in captive generating plants, the Company enters into exchange barter transactions by either selling or purchasing equity shares between group companies. The Company has opted to recognize and classify such financial assets as Financial Assets through Other Comprehensive Income (FVTOCI) in the financial statements. Considering the fact that these are intra-group transactions entered into only to meet regulatory requirements, the Company measures these assets at cost which is considered to be the fair value.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Company's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g., whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g., liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features, prepayment and extension features; and

- terms that limit the Company's claim to cash flows from specified assets (e.g., non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

Financial assets at amortised cost: These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any. Interest income and impairment are recognised in the statement of profit and loss. Any gain or loss on derecognition is recognised in statement of profit and loss.

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognised in the statement of profit and loss.

Debts investments at FVOCI: These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On Derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.

Equity investments at FVOCI: These assets are subsequently measured at fair value. Dividends are recognised as -income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities: classification, subsequent measurement & gain and loss

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss.

Gains and Losses on the Interest-free Loans from Promoters: Interest expense on loans availed from the promoters of the Company is charged at effective interest rate method and charged to Finance cost. The deferred income recognized at the time of initial recognition is recognized as income over the loan term on straight-line basis.

Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the statement of profit and loss.

Impairment of financial instruments

The Company recognises loss allowances for expected credit losses on:-

- Financial assets measured at amortised cost; and
- Financial assets measured at FVOCI- debt investments

At each reporting date, the Company assesses whether financial assets carried at amortised cost and debt securities at FVOCI are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Evidence that a financial asset is credit - impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being past due for agreed credit period;

- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- it is probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for a security because of financial difficulties.

Expected credit loss

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company assumes that the credit risk on a financial asset has increased significantly if it is more than agreed credit period.

The Company considers a financial asset to be in default when:

- the borrower is unlikely to pay its credit obligations to the Company in full, without recourse by the Company to actions such as realising security (if any is held); or
- the financial asset is past due and not recovered within agreed credit period.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e., the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets disclosed in the Balance Sheet.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to

the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

(xvii) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average numbers of equity shares outstanding during the year are adjusted for events such as bonus issue, share split or consolidation of shares.

For calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted into equity shares as at the beginning of the year unless they have been issued at a later date.

(xviii) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

In accordance with Ind AS 108 – Operating Segments, the operating segments used to present segment information are identified on the basis of internal reports used by the Company's Management to allocate resources to the segments and assess their performance.

Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries. Inter-segment pricing is determined on an arm's length basis.

The operating segments have been identified on the basis of the nature of products/services. Further:

1. Segment revenue includes sales and other income directly identifiable with / allocable to the segment including inter-segment revenue.
2. Expenses that are directly identifiable with / allocable to segments are considered for determining the segment result. Expenses which relate to the Company as a whole and not allocable to segments are included under unallocable expenditure.
3. Income which relates to the Company as a whole and not allocable to segments is included in unallocable income.
4. Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable assets and liabilities represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment.

The Board of Director(s) are collectively the Company's 'Chief Operating Decision Maker' or 'CODM' within the meaning of Ind AS 108 for segment information.

(xix) Government Grant

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received. Where the monetary grant relates to an asset, it is recognised as income and is allocated to Statement of Profit and Loss on a systematic basis over the useful life of the asset.

(xx) Financial Guarantee

In accordance with Ind AS 109 Financial Instruments, such guarantees are recognized as financial liabilities at the time the guarantee is issued and initially measured at fair value.

The fair value of the financial guarantee at initial recognition is determined based on the present value of the expected credit loss or the premium that would be required by a third party to assume the guarantee obligation. Subsequent to initial recognition, the financial guarantee is measured at the higher of:

- the amount of the loss allowance determined in accordance with Ind AS 109 (expected credit loss model), and
- the amount initially recognized less, where appropriate, the cumulative amount of income recognized in accordance with Ind AS 115 Revenue from Contracts with Customers.

The fair value of the financial guarantee is presented under "Other Financial Liabilities" and the corresponding debit is recognized as:

- an asset (e.g., investment in subsidiary/associate) if the guarantee is issued on behalf of a related party,
- or charged to the Statement of Profit and Loss if not recoverable.

The Company regularly assesses the credit enhancements provided through such guarantees and considers the same in its expected credit loss (ECL) assessment for financial liabilities.

(xxi) Recent Pronouncements

Ministry of Corporate Affairs (MCA) notifies new standards or amendments to existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the current year, MCA has notified the following amendments in the existing standards applicable to the Company w.e.f. April 01, 2025:

- (i) Amendments to Ind-AS 21 - Lack of exchangeability
- (ii) Amendments to Ind-AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants
- (iii) Amendments to Ind-AS 7 and Ind-AS 107 - Supplier Finance Arrangements
- (iv) International Tax Reform- Pillar Two Model Rules - Amendments to Ind-AS 12

The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any impact on its financial statements.

Vanya Steels Private Limited

Balance at the beginning	8,612.37	3,647.02
Addition during the year:	2,976.87	5,099.45
	11,589.24	8,746.47
Capitalised during the year:		
Plant and machinery	(10,080.06)	(112.45)
Building- Others	-	(21.65)
Balance at the end	1,509.18	8,612.37

Note:

Capital work-in-progress ageing

Particulars	As at March 31, 2026	As at March 31, 2025
Projects in progress		
Less than 1 year	1,104.42	4,970.09
1-2 years	121.63	3,642.28
2-3 Years	283.13	-
	1,509.18	8,612.37

- (i) Projects are being executed at a different locations involving common procurements therefore project wise identification wrt Capital Work in progress is not feasible.
- (ii) The CWIP is as per Management Plan and estimate.
- (iii) During the year Capital Work In Progress include Interest Capitalised amounting Rs. 41.93 lakhs, Salary Capitalised amounting Rs. 26.59 lakhs, and Legal & Professional Fees Capitalised amounting Rs. 341.19 lakhs
- (iv) Capital work-in-progress includes the Waste Heat Recovery Plant, on which an exclusive hypothecation charge has been created over the movable fixed assets in favour of a financial institution as security for borrowings availed by the parent company A-One Steels India Limited.

7 Investments (non-current)

	As at March 31, 2026	As at March 31, 2025
Investments carried at fair value through other comprehensive income:		
A. Investment in equity instruments		
Unquoted (Measured at FVTOCI)		
Atria Wind Power (Bijapur 1) Private Limited		
65,322 shares of Rs 100 each	144.68	144.68
	144.68	144.68

Notes:

- (i) Carrying value and market value of quoted and unquoted investments are as below:

	As at March 31, 2026	As at March 31, 2025
Market value of unquoted investments	144.68	144.68
Book value of unquoted investments	144.68	144.68

- (ii) For explanation on the Company's credit risk management process, refer note 52.
- (iii) There are no significant restrictions on the right of ownership, realisability of investments or the remittance of income and proceeds of disposal.
- (iv) The Company had invested in equity shares of Atria Wind Power (Bijapur 1) Private Limited for procurement of power towards captive consumption in Hospet unit. The management anticipates that the termination of contract in future (if any) would be at cost i.e. the amount invested. The investment has been made only for procuring the power and not for any financial benefit. However, considering the above facts, cost of investment has been considered as its fair value.

Voting

Each shareholder is entitled to one vote per share held. The Company has only one class of share capital having a par value of ₹ 10 per share, referred to herein as equity shares.

Dividends

The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to approval of the shareholders in ensuing Annual General Meeting except in the case where interim dividend is distributed. The Company has not distributed any dividend in the current period.

Liquidation

In the event of liquidation of the Company, the shareholders shall be entitled to receive all of the remaining assets of the Company after distribution of all preferential amounts, if any. Such distribution amounts will be in proportion to the number of equity shares held by the shareholders.

Nature and purpose of other equity:

(i). Retained earnings

Retained earnings represents the surplus/ (deficit) in profit and loss account and appropriations.

(ii). Securities premium

The amount received in excess of face value of the equity shares is recognised in Securities Premium. It can only be utilised for limited purposes in accordance with the provisions of the Companies Act, 2013.

(iii). Capital Redemption Reserve

The Capital Redemption Reserve is mainly on account of redemption of 0.01% Non cumulative Redeemable Preference shares of Rs.10 each out of Profits of the company as per the Provisions of Section 55 of the Companies Act 2013 read with rule 9 of the Companies (Share capital and debentures) Rules 2014 as amended.

(iv). Revaluation surplus

The Company recognises increase in carrying amount as a result of a revaluation in other comprehensive income. The Company transfers amount of revaluation surplus directly to retained earnings when the asset is derecognised.

(v). Contribution to Holding Company

The Company has given financial guarantee for availing borrowing facility from Jio Finance Limited aggregating to Rs. 5,000 lakhs, the fair value of which is Rs. 50 lakhs, for which guarantee commission has been waived off in its capacity as the Subsidiary of the Company and recognised such waiver as a capital contribution and shown under "Other Equity".

44 Expenditure on CSR activities

As per Section 135 of the Companies Act, 2013, the Company is required to spend, in every financial year, at least two per cent of average net profits of the Company made during the three immediately preceding financial years in accordance with its CSR Policy in respect of activities specified in Schedule VII of the Companies Act, 2013. The details of CSR expenses for the year are as under:

	For the year ended March 31, 2026	For the year ended March 31, 2025
Amount required to be spent during the year	-	46.80
Shortfall/ (Excess) amount of previous year	(1.20)	(13.96)
Total	(1.20)	32.84
Amount spent during the year on		
- construction/acquisition of any property, plant and equipment	-	-
- purposes other than above	2.22	34.04
Total	2.22	34.04
Shortfall/ (Excess) amount carried forward to next year	(3.42)	(1.20)

Note:

CSR provisions are not applicable for the current year as the company has incurred a loss in the immediately preceding financial year; accordingly, no CSR spending obligation arises for this year.

Nature of CSR activities

The amount has been spent on various activities such as education which is mentioned in Schedule VII of the Companies Act, 2013.

45 Information required under Section 186(4) of the Companies Act, 2013

(i) Investments

The company has made Investments of Rs. 144.68 Lakhs in Other than subsidiaries as at March 31, 2026. (March 31, 2025 Rs. 144.68 lakhs)

(ii) Guarantees

The company has issued corporate guarantee to a financial institution for borrowings availed by its parent, A-One Steels India Limited, aggregating to Rs. 5,000 lakhs (March 31, 2025: Nil). The parent has utilised these borrowings for its principal business activities.

46 In terms of Section 22 of Chapter V of Micro, Small and Medium Enterprise Development Act, 2006 (MSMED Act, 2006), the disclosures of payments due to any supplier are as follows:

The principal amount and the interest due thereon remaining unpaid to any MSME supplier as at the end of each accounting year included in:

- Trade payables
- Payables for Capital Goods
- Interest due

As at March 31, 2026	As at March 31, 2025
8.73	38.08
30.46	10.23
22.58	21.45
61.77	69.76

The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year:-

- Principal
- Interest due

39.19	38.08
1.12	-

The amount of interest paid by the company under MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year;

-	-
---	---

The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointment day during the period) but without adding the Interest specified under the MSMED Act, 2006.

-	-
---	---

The amount of interest accrued and remaining unpaid at the end of each accounting year.

21.45	21.45
-------	-------

The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible under section 23 of the MSMED Act, 2006.

22.58	21.45
-------	-------

47 Employee benefits

I. Defined contribution plans:

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and labour welfare fund which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue.

Expense under defined contribution plans include:

Employer's contribution to provident fund

For the year ended March 31, 2026	For the year ended March 31, 2025
20.27	18.30
20.27	18.30

II. Defined benefit plans:

1 Gratuity

The Company operates a post-employment defined benefit plan for Gratuity. This plan entitles an employee to receive half month's salary for each year of completed service at the time of retirement/exit.

The present value of obligation is determined based on actuarial valuation using the projected unit credit method, which recognise each period of service as giving rise to additional employee benefit entitlement and measures each unit separately to build up the final obligation.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at March 31, 2026. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the projected unit credit method.

A. Net defined benefit liability/(asset)

Present value of obligations
Fair value of plan assets
Total employee benefit liabilities/(assets)

As at March 31, 2026	As at March 31, 2025
66.30	69.21
-	-
66.30	69.21

Non-current
Current

65.13	68.19
1.17	1.02

B. The details of the defined benefit retirement plans and the amounts recognized in the financial statements are as follows:

Particulars

Change in defined benefit obligations

Benefit obligations at the beginning of the year
Service Cost
Interest expense
Past service cost – plan amendments
Remeasurements - Actuarial (gains) /losses
Benefits paid
Benefits obliged at the end of the year

As at March 31, 2026	As at March 31, 2025
69.21	28.65
18.50	17.11
4.51	2.05
(14.68)	-
(11.23)	21.41
-	-
66.31	69.22

Vanya Steels Private Limited
(CIN: U35106KA2005PTC125578)

Notes to the Financial statements for the year ended March 31, 2026

(All amount are in ₹ Lakhs, unless otherwise stated)

C. The amount recognised in the statement of Profit and Loss account under employee benefit expenses is as follows:

Particulars	For the year ended March 31, 2026	For the Year Ended March 31, 2025
Service Cost	18.50	17.11
Net interest on the net defined benefit liability/asset	4.51	2.05
Past service cost – plan amendments	(14.68)	-
Net gratuity cost	8.33	19.16

D. The amount recognised in the statement of other comprehensive income is as follows:

Particulars	For the year ended March 31, 2026	For the Year Ended March 31, 2025
Remeasurements of the net defined benefit liability / (asset)		
Actuarial (gains) / losses due to demographic assumption changes in DBO	-	0.56
Actuarial (gains) / losses due to Financial assumption changes in DBO	(7.41)	4.31
Actuarial (gains) / losses due to experience adjustment on DBO	(3.82)	16.54
(Return) loss on the plan assets due to discount rate	-	-
	(11.23)	21.41

E. Plan assets

Plan assets comprises of the following:

	As at March 31, 2026	As at March 31, 2025
Total plan assets	-	-
Funds managed by insurer	-	-
% of Plan assets	-	-

F. Actuarial assumptions

The principal assumptions are the discount rate and salary growth rate. The discount rate is based upon the market yields available on government bonds at the accounting date with a term that matches that of liabilities. Salary increase rate takes into account of inflation, seniority, promotion and other relevant factors on long term basis. Valuation assumptions are as follows which have been selected by the Company.

	As at March 31, 2026	As at March 31, 2025
Discount rate	7.65%	6.90%
Expected rate of future salary increase	10% for the first three years and 7% thereafter	10% for the first three years and 7% thereafter
Expected rate of attrition	1% - 3%	1% - 3%
Mortality	IALM 2012-14	IALM 2012-14

G. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

	As at March 31, 2026		As at March 31, 2025	
	Increase	Decrease	Increase	Decrease
Discount rate (1.00% movement)	56.12	79.02	58.09	83.20
Future salary growth (1.00% movement)	78.91	56.02	82.98	58.05
Attrition rate (50.00% of attrition rate movement)	66.54	65.99	68.57	69.87
Mortality Rate (10.00% of mortality rate movement)	66.43	66.18	69.20	69.21

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

Sensitivities as to rate of inflation, rate of increase of pensions in payment, rate of increase of pensions before retirement and life expectancy are not applicable being a lump sum benefit on retirement.

Vanya Steels Private Limited
(CIN: U35106KA2005PTC125578)

Notes to the Financial statements for the year ended March 31, 2026

(All amount are in ₹ Lakhs, unless otherwise stated)

Description of Risk Exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such the Company is exposed to various risks as follows:

- a). **Salary increase:** Actual salary increases will increase plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- b). **Discount rate:** Reduction in discount rate in subsequent valuations can increase the plan's liability.
- c). **Mortality & disability:** Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- d). **Withdrawals:** Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact the plan's liability.

H. Expected maturity analysis of the defined benefit plans in future years

Duration of defined benefit obligation

Upto 1 Year
Between 2-5 Years
Between 6-10 Years
Over 10 Years
Total

	As at March 31, 2026	As at March 31, 2025

	8.48	7.31
	13.89	15.22
	295.36	274.22
	318.90	297.77

The weighted average duration of the defined benefit plan obligation at March 31, 2026 is 18 years.

...Continued from previous page

II. Defined benefit plans:

2 Earned Leave Plan

The Company operates an Earned Leave Plan. This plan entitles an employee right to accumulate and carry forward his leave to a future period or encash the leave.

The present value of obligation is determined based on actuarial valuation using the projected unit credit method, which recognise each period of service as giving rise to additional employee benefit entitlement and measures each unit separately to build up the final obligation.

The most recent actuarial valuation of the present value of the Leave Liability for Leave Encashment were carried out as at March 31, 2026. The present value of the Leave Liability and the related current service cost and past service cost, were measured using the projected unit credit method.

...Continued from previous page

Fair value hierarchy

Level 1: It includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments.

The carrying amounts of trade receivables, cash and cash equivalents and other financial assets and liabilities, approximates the fair values, due to their short-term nature. Fair value of financial assets and financial liabilities is similar to the carrying value as there is no significant differences between carrying value and fair value.

Valuation processes

The Management performs the valuations of financial assets and liabilities required for financial reporting purposes on a periodic basis, including level 3 fair values.

b). Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk
- Market risk

(i). Credit risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Balance Sheet:

Particulars	As at March 31, 2026	As at March 31, 2025
Investments	144.68	144.68
Trade receivables	3,457.94	1,240.40
Cash and cash equivalents	181.00	389.29
Bank balances other than cash and cash equivalents	246.80	540.21
Loans	17.62	12.90
Other financial assets	1,676.10	155.43

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

The Company's credit risk is primarily to the amount due from customers. The Company maintains a defined credit policy and monitors the exposures to these credit risks on an ongoing basis. Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with scheduled commercial banks with high credit ratings assigned by domestic credit rating agencies.

Financial instruments that are subject to credit risk and concentration thereof principally consist of trade receivables, loans receivables, balances with bank, bank deposits, and financial guarantees provided by the Company. None of the financial instruments of the Company result in material concentration of credit risk except Trade receivables. The Company's exposure to customers is diversified. In respect of financial guarantees provided by the Company to banks/financial institutions, the maximum exposure which the Company is exposed to is the maximum amount which the Company would have to pay if the guarantee is called upon. Based on the expectation at the end of the reporting period, the Company considers that it is more likely than not that such an amount will not be payable under the guarantees provided.

The Company has issued Corporate security to banks and financial institutions on behalf of and in respect of loan / credit facilities availed by Parent company. The value of corporate security given by the Company as at March 31, 2026 is 5000 Lakhs (Previous year - Nil). The value of corporate security denotes unexecuted amount of credit facilities availed by Parent Company. Based on the expectation at the end of the reporting period, the Company considers that it is more likely than not that such an amount will not be payable under the securities provided.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Trade receivables are unsecured and are derived from revenue earned from customers primarily located in India. The Company does monitor the economic environment in which it operates and the Company manages its Credit risk through credit approvals, establishing credit limits and continuously monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

On adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivable. The management uses a simplified approach (i.e. based on lifetime ECL) for the purpose of impairment loss allowance, the Company estimates amounts based on the business environment in which the Company operates, and management considers that the trade receivables are in default (credit impaired) when counter party fails to make payments as per terms of sale/service agreements. However the Company based upon historical experience determine an impairment allowance for loss on receivables.

When a trade receivable is credit impaired, it is written off against trade receivables and the amount of the loss is recognised in the income statement. Subsequent recoveries of amounts previously written off are credited to the income statement.

The Company believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour.

The Company's exposure to credit risk for trade receivables are as follows:

Particulars	As at March 31, 2026	As at March 31, 2025
Less than 180 days past due	3,290.82	1,148.64
180-365 days	106.11	65.45
365-730 days	67.93	11.63
More than 730 days	187.29	197.53
Total	3,652.15	1,423.24

Movement in the allowance for impairment in respect of trade receivables:

	For the year ended March 31, 2026	For the year ended March 31, 2025
Balance at the beginning	182.84	181.57
Impairment loss recognised	11.36	1.27
Impairment loss utilised		
Balance at the end	194.20	182.84

(ii). Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's policy is to regularly monitor its liquidity requirements to ensure that it maintains sufficient reserves of cash and funding from Company companies to meet its liquidity requirements in the short and long term.

The Company's liquidity management process as monitored by management, includes the following:
- Day to Day funding, managed by monitoring future cash flows to ensure that requirements can be met.
- Maintaining rolling forecasts of the Company's liquidity position on the basis of expected cash flows.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date:

As at March 31, 2026	Carrying amount	Contractual cash flows			Total
		Less than one year	Between one to five years	More than five years	
Borrowings	17,738.69	8,247.88	13,493.15	-	21,741.03
Trade payables	7,502.90	7,502.90	-	-	7,502.90
Other financial liabilities	595.64	595.64	-	-	595.64
Total	25,837.23	16,346.42	13,493.15	-	29,839.57

As at March 31, 2025	Carrying amount	Contractual cash flows			Total
		Less than one year	Between one to five years	More than five years	
Borrowings	16,061.41	3,429.81	8,668.94	387.00	12,485.74
Lease liabilities	1.24	1.28	-	-	1.28
Trade payables	5,446.96	5,446.96	-	-	5,446.96
Other financial liabilities	913.57	913.57	-	-	913.57
Total	22,443.19	9,791.62	8,668.94	387.00	18,847.55

(iii). Market risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. The Company mainly has exposure to two type of market risk namely: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a. Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk.

Exposure to interest rate risk

The Company's interest rate risk arises majorly from the term loans from banks carrying floating rate of interest. These obligations exposes the Company to cash flow interest rate risk. The exposure of the Company's borrowing to interest rate changes as reported to the management at the end of the reporting period are as follows:

Variable-rate instruments

Secured term loans
Working capital demand loans
Cash Credits
Total

As at 31-Mar-26	As at 31-Mar-25
227.17	3,072.62
6,500.00	1,465.41
1,506.24	-
8,233.41	4,538.03

Cash flow sensitivity analysis for variable-rate instruments

The sensitivity analyses below have been determined based on the exposure to interest rates at the end of the reporting period.
For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

	Profit or loss		Equity, net of tax	
	50 bps increase	50 bps decrease	50 bps increase	50 bps decrease
Secured term loans				
For the year ended March 31, 2026	(1.14)	1.14	(0.85)	0.85
For the year ended March 31, 2025	(15.36)	15.36	(11.50)	11.50
Working capital demand loans				
For the year ended March 31, 2026	(32.50)	32.50	(24.32)	24.32
For the year ended March 31, 2025	(7.33)	7.33	(5.48)	5.48
Cash Credits				
For the year ended March 31, 2026	(7.53)	7.53	(5.64)	5.64
For the year ended March 31, 2025	-	-	-	-

b. Currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows to the extent of earnings and expenses in foreign currencies. Exposure arises primarily due to exchange rate fluctuations between the functional currency and other currencies from the Company's operating, investing and financing activities.

Exposure to foreign currency risk

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	Denomination	As at		As at	
		March 31, 2026		March 31, 2025	
		Foreign currency	Equivalent ₹	Foreign currency	Equivalent ₹
Receivables					
Trade Receivables	USD	1.93	182.47	11.46	980.83
Unhedged receivables		1.93	182.47	11.46	980.83
Payables					
Trade payables	USD	-	-	-	-
Letter of Credit	USD	-	-	-	-
Unhedged payables/(Receivables)		-	-	-	-
Net unhedged foreign currency exposure	USD		182.47		980.83

Foreign currency sensitivity analysis

The following table details the Company's sensitivity to a 50 bps and decrease in the INR (₹) against USD. 50 bps is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 50 bps change in foreign currency rates. In case of net foreign currency outflow, a positive number below indicates an increase in profit or equity where the ₹ strengthens 50 bps against the relevant currency. For a 50 bps weakening of the ₹ against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative. In case of net foreign currency inflow, a positive number below indicates an increase in profit or equity where the ₹ weakens 50 bps against the relevant currency. For a 50 bps strengthening of the ₹ against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

	Profit or loss		Equity, net of tax	
	50 bps increase	50 bps decrease	50 bps increase	50 bps decrease
USD				
For the year ended March 31, 2026	0.01	(0.01)	0.01	(0.01)
For the year ended March 31, 2025	0.06	(0.06)	0.04	(0.04)

USD: United States Dollar

53 Capital management

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

To maintain or adjust the capital structure, the Company may return capital to shareholders, raise new debt or issue new shares.

The Company monitors capital on the basis of the debt to capital ratio, which is calculated as interest-bearing debts divided by total capital (equity attributable to owners of the parent plus interest-bearing debts).

	As at March 31, 2026	As at March 31, 2025
Borrowings	8,243.55	11,214.34
Less: Cash and bank balances	427.80	929.50
Adjusted net debt (A)	7,815.75	10,284.84
Total equity (B)	10,613.79	10,355.94
Adjusted net debt to adjusted equity ratio (A/B)	0.74	0.99

Space intentionally left blank.

54 Income taxes

A. Amounts recognised in the Statement of Profit and Loss

Income tax expense

57 Government Grants

Particulars

(i) Deferred capital investment subsidy (refer note below)

Deferred Grant at the beginning of the year
Add: Grant Recognised / Accrual during the year
Less: Amount recognised in the statement of profit and loss
Deferred Grant at the end of the year

As at 31-Mar-26	As at 31-Mar-25
-	-
1,477.32	-
(403.13)	-
1,074.19	-

Note

Grant relates to capital investment in plant & machinery and other assets installed of Rs. 3,693.30 Lakhs; recognised over the 15-year useful life of the assets in proportion to depreciation, under the income approach.

Subsidy computed at 6.25% of annual manufacturing turnover for six years from commencement of production (25 Feb 2022), subject to a maximum limit of Rs. 1,477.32 Lakhs. Grant recognised during the year: Rs. 403.40 Lakhs.

Unfulfilled conditions / contingencies: The subsidy is subject to conditions in the sanction order, including providing employment to local people (Kannadigas) for five years and continued eligibility. If found not due or conditions are not met, the Company may be required to refund part or whole of the subsidy, recoverable as arrears of land revenue. As at the reporting date, there are no unfulfilled conditions or contingencies attaching to the grant.

58 Subsequent Event

- (a) Subsequent to the reporting date of March 31, 2026, 65,322 equity shares of Atria Wind Power (Bijapur 1) Private Limited has been transferred from Vanya Steels Private Limited to A-One Steels India Limited (the Holding Company) on 21.04.2026. The above Sale of Investment does not alter the financial position of the Company as of the reporting date i.e. March 31, 2026.
- (b) Subsequent to the reporting date of March 31, 2026, the Company has secured Emergency Credit Guarantee Limit ECGL 5.0 loan facility from Axis Bank amounting to Rs. 12.18 Crores to support its ongoing business operations and capital requirements. These credit facilities are subject to the financial covenants, interest rates, and repayment schedules as specified in the respective loan sanction letter. There is no impact of these transactions on the financial position or performance of the Company as of March 31, 2026.
- (c) Subsequent to the reporting date of March 31, 2026, the Company has provided a bank guarantee of Rs. 2.07 crores to The Singareni Collieries Company Limited for obligations related to the coal linkage auction in the sponge iron sub-sector. The said bank guarantee has been issued by Axis Bank Limited and is secured by 100% fixed deposits placed with the said bank.
- 59 The Company does not have any immovable property (other than properties where the Company is a lessee and the lease agreements are duly executed in the favour of the lessee) whose title deeds are not held in the name of the Company.
- 60 The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- 61 The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- 62 The Company have not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- 63 The Company have not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- 64 The Company has not done any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

39. AUDITORS:

i) STATUTORY AUDITORS:

M/s. Singhi & Co, Chartered Accountants (FRN: 302049E), were appointed as Statutory Auditors of the Company at the 18th Annual General Meeting held on 29th September 2023 as Statutory Auditors for the period of 5 years and to hold office until the conclusion of the 23rd Annual General Meeting.

AUDITOR'S REPORT: The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Act. The management comment to the qualification/remark made by the auditor in their report as follows:

1. **Point No 2 (j) of Report on Other Legal and Regulatory Requirements:**

(j) Based on our examination, which included test checks, the Company has used an accounting software systems for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. However, we found that the audit trail at the database level is not enabled.

Further, During the course of our audit, we did not come across any instance of the audit trail feature being tampered with at the application level, and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Management Reply: The management confirmed that there has been no identified or reported instance of tampering with the audit trail at the database level during the year. Maintenance of Audit trail duly complied and implemented by all operational units as on date. The Management has appropriate IT access controls and monitoring mechanisms in place. The management has initiated necessary steps to strengthen the system configuration and implement appropriate technical controls to ensure that the audit trail is maintained in a manner that prevents modification or deletion and complies with the applicable statutory requirements.

2. **In Point no vii (a) of the Annexure A to the Independent Auditor's Report :**

- a. undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of custom, cess and other material statutory dues, as applicable, to the Company have generally been regularly deposited with the appropriate authorities by the Company, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.

Management Reply: The delays were primarily due to technical issues at the time of remittance, interruptions in the timely receipt of documents or registrations and other administrative reasons. Further, our company has subsequently made payment in relation to such dues.

3. In Point no xvii of the Annexure A to the Independent Auditor's Report :

The Company has not incurred cash losses in the current financial year and had incurred cash losses of Rs. 641.03 Lakhs in the immediately preceding financial year

Management Reply: Increase in cost of materials and other expenses like electricity charges and labour cost, there was a cash losses in the preceding financial years. However, Company took necessary action and current financial year there is no cash losses.

ii) INTERNAL AUDITOR:

Pursuant to provisions of Section 138 of the companies Act, 2013 read with Companies (Accounts) Rules, 2014 M/s. Vishnu Daya & Co. LLP, Chartered Accountants (FRN: 008456N/S200092) were appointed as Internal Auditor of the company.

Further, The Auditors have issued an unqualified Report for the year ended 31st March 2026.

iii) COST AUDITOR:

The Board has approved the appointment of M/s. Vishwanath Bhat & Co, Cost Accountants (FRN: 100509) as the Cost Auditor of the Company for the Financial Year 2026-27 at a remuneration Rs. 80,000 plus applicable taxes and out of pocket expenses payable to the Cost Auditors in connection with the Cost Audit.

The Board of Directors of the company proposes the ratification of remuneration of M/s. Vishwanath Bhat & Co, Cost Accountants (FRN: 100509) for the Financial Year 2026-27 at the ensuing Annual General Meeting.

COST AUDIT REPORT: The Auditors have issued an unqualified Report for the year ended 31st March 2026.

iv) SECRETARIAL AUDITORS:

Form No. MR-3
SECRETARIAL AUDIT REPORT

For the Financial Year Ended 31st March 2026

[Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
VANYA STEELS PRIVATE LIMITED
(CIN: U35106KA2005PTC125578)
A One House No.326, Back Portion,
First Floor Ward No. 08, CQAL Layout,
Sahakar Nagar, Bengaluru- 560092, Karnataka

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Vanya Steels Private Limited (CIN: U35106KA2005PTC125578)** hereinafter referred as "**the Company**"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the **Vanya Steels Private Limited** (the Company's) books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Vanya Steels Private Limited for the financial year ended on 31st March 2026 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under (in so far as they are made applicable);
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under; Not applicable as on 31st March 2026.

- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under to the extent applicable;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there, to the extent applicable;
- (v) I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with other Acts, Laws, Policies and Regulations applicable specifically to the Company.
- (vi) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; **(Not Applicable)**
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992; **(Not Applicable)**
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **(Not Applicable)**
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **(Not Applicable)**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not Applicable)**
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable)**
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not Applicable)** and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **(Not Applicable)**

- (vi) All other relevant applicable laws including those specifically applicable to the Company, a list of which has been provided by the management. The examination and reporting of these laws and rules are limited to whether there are adequate systems and processes in place to monitor and ensure compliance with those laws.

I have also examined compliance of the Secretarial Standards issued by the Institute of Company Secretaries of India on Meetings of the Board of Directors and General Meetings.

The Company has not entered into any Listing Agreements with Stock Exchange (s) during the year.

I have not examined compliance by the Company relating to the applicable financial laws, such as direct and indirect tax laws including cost records, since the same have been subject to review by statutory financial auditor and other designated professionals.

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all the Directors to convene the Board Meetings. The agenda and detailed notes on the agenda were circulated at shorter notice, and the same were ratified by all the Independent Directors at the respective Board Meetings, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors during the Audit Period and the change in the composition of Board of Directors during the period under review has been carried out in accordance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company has following events / actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above:

- I. During the year under review, the Company availed borrowings of ₹29,93,75,000/- (Rupees Twenty-Nine Crores Ninety-Three Lakhs Seventy-Five Thousand only) from Mr. Sandeep Kumar, Director of the Company, and ₹29,26,00,000/- (Rupees Twenty-Nine Crores Twenty-Six Lakhs only) from Mr. Sunil Jallan, Director of the Company. The aforesaid borrowings were duly approved by the Board of Directors at its meeting held on 22nd March 2025.
- II. During the year under review, the Company provided a corporate guarantee of ₹50,00,00,000/- (Rupees Fifty Crores only) in connection with the loan availed by A-One Steels India Limited. The provision of the said corporate guarantee was approved by the Board of Directors at its meeting held on 23rd August 2025.

- III. Further, the Company availed a borrowing of ₹50,00,00,000/- (Rupees Fifty Crores only). The said borrowing was duly approved by the Board of Directors at its meeting held on 23rd August 2025.
- IV. During the year under review, pursuant to a Special Resolution passed by the members at the Extraordinary General Meeting held on 19th December 2025, Clause III(A) of the Memorandum of Association of the Company was altered.
- V. During the year under review, Mr. Rakesh Kumar Periwal (DIN: 08491888) was appointed as an Additional Director of the Company by the Board of Directors at its meeting held on 18th March 2026.
